HOLY COMMUNION AT HOLY FAMILY CHURCH

Here at Holy Family Church Holy Communion is distributed at the communion rail. While this practice of receiving Our Lord, truly present in the Most Blessed Sacrament, is indeed a venerable and historical practice it is also the universal norm of the Roman Catholic Church.

Kneeling at the rail allows for an opportunity to pause and reflect upon the encounter that is about to happen between you and the living God who gives Himself to you in Holy Communion. For many, this moment of prayerful reflection and preparation allows for a beautiful encounter between the soul of the faithful and the presence of the Lord. For some this practice and moment of prayerful preparation becomes a confrontation between all that we are and all that God is. Our use of the rail is meant to create an opportunity at each and every Holy Mass whereby the soul is given an added opportunity to enter into a fruitful encounter with the Living God.

For our visitors, please know that if one cannot kneel as a result of age or bodily pain you are invited to stand in place at the rail where you would be able to kneel. All Catholics in a state of grace are invited to come forward at the proper time within Holy Mass using the main aisle, or for those seated along the sides of the Church the side aisles, and as you come to front of the Church come forward to the rail and kneel. The priest or deacon distribute Holy Communion starting at the far right side, St Joseph’s side, and then move towards the left, the Blessed Virgin’s. After you have received Holy Communion you are then invited to pause for a moment of prayerful gratitude and then return to your place of seating via the side aisles.

O SACRAMENT MOST HOLY, O SACRAMENT DIVINE,
ALL PRAISE AND THANKSGIVING BE EVERY MOMENT THINE

*~ God Reward Your Generosity ~*
Dear Parishioners of Holy Family,

Praised be Jesus Christ!

Over the last few weeks, I have been blessed to hear from many of you about how prayer is needed for those in pain, experiencing loss, or carrying broken hearts. Please know of my prayers for all of you.

In the experience of this Holy Season of Lent each of us are invited and encouraged to draw close to the life saving mystery of Love on the Cross.

Though the heartaches of this life are indeed heavy and burdensome the reality of life lived in union with Jesus is truly the only source of consolation.

Every week, we have multiple opportunities for prayer, Holy Mass, and, during Lent, Stations of the Cross.

This past week on Wednesday the Holy Mass was offered in veneration of St. Joseph. Hopefully this will become a strong and mighty practice among our parishioners, to attend Wednesday evening Mass in honor of St. Joseph. For the time being we will have this “St. Joseph Mass” on the first Wednesday of the month. It is a powerful act of God’s Holy Providence that there is a return to devotion to Good St. Joseph. What a gift! Our Church is in need of the powerful intercession and protection of St. Joseph.

Lastly, I would like to draw attention to your incredible generosity towards Holy Family. I don’t know if it is my place or not but I will take the responsibility and assume the privilege to be the one to “thank you” for your continued and incredible generosity towards the parish. Many of you know I can’t and won’t preach on money, I think too much of the Church’s life is stuck on greed and wealth. I get chastised for this stance and I’m fine with it. My take on it, pray to the Lord and then get out of the way. Let Him provide and let the faithful respond. My heavens do you respond to His providing! Our parish family, perhaps, may not be strong in the eyes and ways of the world, but we are a people of faith and of prayer. Your care and attention, your stewardship and tithing are yet another reminder of how the people of Holy Family, parishioners and regular visitors alike, respond to the Lord. Thank you and may the Lord bless and reward you for your generosity.

As Lent continues, may each of us strive for total union with the Lord on the Cross and on the Altar.

In Jesus and Mary,

Fr. Stash Dailey

“Mary’s sole object in this world was to keep her eyes constantly focused on God, so as to discover His will. Then, when she had found out what God wanted, she did it.”

- St. Bernardine of Siena

Background on Mary’s Gardens

The inspiration for this work was the first public Mary Garden in the United States, at the Angelus Tower of St. Joseph’s Church, Woods Hole, Cape Cod, Massachusetts, established in 1932, comprised of some fifty Flowers of Our Lady of the medieval countryside of England, and beautifully maintained today.

The initial means for spreading the Mary Garden idea, starting in 1951, was to make available, through volunteer lay initiative, “Our Lady’s Garden” kits. Comprised of an informative leaflet, packets of seeds for Flowers of Our Lady, together with lists of additional seeds, bulbs and plants obtainable through us—for the planting and tending of Mary Gardens as a prayerful, religious work of stewardship for God’s flower riches and artistry with devotion, praise, thanksgiving, meditation and commitment. Proposed first for home gardens, Mary Gardens were soon established at schools, parishes, burial plots, institutions, and shrines.

By 1965, our research, had documented over eight-hundred flowers named for Christ, Our Lady and the Saints, as listed in Mariana I, and Tropical Flowers, Trees and Shrubs for Mary Gardens. A sufficient variety of these were available from commercial sources, which enabled us to discontinue offering seeds, bulbs and plants, and devote our time to research, writing and consultation by mail. (Mary’s Gardens was always a spare time, a vocational work.)

Some of the better known Mary Gardens today are those at Our Lady’s national shrines at Knock, Ireland, and Akita, Japan; at the Artane Mary Garden of Remembrance in Dublin; and in the cloister planting of Lincoln Cathedral in England. Of special note in the United States, in addition to the Mother Garden at Woods Hole, are the Mary Gardens at Saint Mary’s Parish, Annapolis, Maryland, adjacent to Historic Carroll House, and Saint Catherine of Siena Parish in Portage, Michigan.

SECOND SUNDAY OF LENT
March 8, 2020

Charity and Prudence
As a result of the flu season and spreading viruses the Diocese issued a statement last weekend to all priests, pastors, principals and the faithful in general. In this statement caution and charity was requested from the faithful during these months when many become ill because of seasonal illnesses.

Please remember, should you be ill the obligation to attend Holy Mass is lifted. Refraining from attending Holy Mass while sick is not only an act of good health it is also an act of charity towards those who are not ill but may perhaps have a weakened immune system.

Parishes where the Precious Blood is offered have been requested to evaluate and perhaps even reduce or eliminate this practice, at the discretion of the pastor.

During the Holy Mass the sign of peace is not mandatory. Culturally speaking it may be very important but it is not mandatory for the Holy Mass to be valid. Parishes have been asked to encourage the faithful to refrain from engaging in the sign of peace should they be ill or even think they may be coming down with something. Should you have a weakened immune system there is no reason to engage in the common practice of the handshake.

Should there be a large portion of the congregation that is particularly vulnerable or in a high risk occupation the sign of peace is scrutinized from on the public scale.

As a result of this statement and at the request of many parishioners the sign of peace will not be introduced by the priest. This does not mean you cannot offer the sign of peace with your friends and family, it means simply the priest will no longer invite the faithful to engage in the fraternal sign of peace so as to remove any sense of obligation and discomfort.

I ask in your charity to please take into your hearts all of those who are struggling to overcome illnesses and especially those who work in the medical field. These are indeed trying times, our attendance and participation in the Holy Mass should be a source of relief and strength rather than worry and concern.

May our hearts be strengthened as a result of our hunger for the Lord Jesus and our bodies healed and made healthy.

In His Peace,
Fr Stash Dailey
